PETITION UNDER 37 C.F.R. § 1.181

COMMISSIONER FOR PATENTS
ALEXANDRIA, VA 22313-1450

SIR:

37 C.F.R. § 1.181(a)(3) allows petition to invoke the supervisory authority of the Commissioner in appropriate circumstances.

The Applicant respectfully petitions in accordance with 37 C.F.R. § 1.181(a)(3) to compel consideration by the Examiner of the French reference (FR 2,673,355) cited in the Information Disclosure Statement (IDS) filed on April 29, 2002, a re-signed copy of which is attached as well as a date-stamped filing receipt.

The Applicant notes that the Official Action dated March 1, 2004, and the Notice of Allowance dated June 25, 2004, indicated that the IDS fails to comply with 37 CFR 1.98(a)(3), and therefore was not being entered or considered. As noted in the Amendment filed on May 20, 2004, IDS filed on April 29, 2002, did comply with 37 CFR 1.98(a)(3). MPEP 609 III.A(3) states that “[w]here the information listed is not in the English language, but was cited in a search report or other action by a foreign patent office in a counterpart foreign application, the requirement for a concise explanation of relevance can be satisfied by submitting an English-language version of the search report or action which indicates the

degree of relevance found by the foreign office. This may be an explanation of which portion of the reference is particularly relevant, to which claims it applies, or merely an 'X', 'Y', or 'A' indication on a search report." (Emphasis added) The Applicant notes that the portion of the search report was filed with the IDS, which indicated that the FR 2,673,355 reference was designed with both an "X" designation and a "D" designation. Furthermore, an English translation of the category designations was also submitted with the IDS, which indicated that an "X" designation indicates a reference is "particularly relevant if taken alone" and that a "D" designation indicates a "document [is] cited in the application." Accordingly, the IDS filed on April 29, 2002, does comply with 37 CFR 1.98(a)(3), and therefore the Examiner must consider the FR 2,673,355 reference and provide the Applicant with acknowledgement of the consideration of that reference. Therefore, the Applicant requests a copy of the IDS filed on April 29, 2002, that is signed, initialed, and dated by the Examiner as being considered as required under MPEP 609 III. C. 2., in order to clarify that all of the references cited in the IDS have been considered and made of record.

It is respectfully requested that this Petition under 37 C.F.R. § 1.181 be granted and the Examiner compelled to provide the Applicants with a signed, initialed, and dated copy of the IDS filed on April 29, 2002.

Respectfully Submitted,
